i. Citizens Input

Mayor Winchester advised for Ms. Waldrup the flowers that are used to hang in the baskets downtown in the park have been planted and are in the greenhouse and should be ready to place in the baskets by the end of April. This should save the City of McKenzie some money this year.

j. Council Discussion/Reports:

Councilperson Holland spoke about the security problem at the park with Ricky French and they are planning to schedule some of the part time workers to be present at the park and maybe wear park shirts that identify them as park personnel. A posting around the concession for people to see would state a park staff person was on duty.

Councilperson Arthur gave the monthly fire report.

Councilperson Hale told the council a 2002 Chevrolet Impala was given to the police department from the City of Brentwood.

Councilperson Thompson stated the city should recognize Mr. Curtis Broadbent for his achievements of winning the Patriot's Pen. Councilperson Thompson also stated he had spoken with Officer Sikes and it would be nice if the council would be represented at the DARE graduation this year.

Mayor Winchester set a working session for April 21, 2009 at 7:00 p.m.
